## Preface<sup>1</sup>

Procurement under projects financed from the Public Funds of the Republic of Ghana, is carried out in accordance with the procedures laid down in Part VI, Clause 70 – 72 of the Public Procurement Act, 2002 Act \_\_\_\_\_

This Standard Tender Evaluation Format for Selection of Consultants has been prepared for use by Procurement Entities in the application of the evaluation criteria in the Request for Proposal process. The procedures and practices they convey have been developed through broad international experience and are based principally on those developed and in use by the World Bank.

The document sets out the format of a sample evaluation report. It is mandatory for Procurement Entities to use in order to facilitate the evaluation of consultants' proposals and the subsequent review of these proposals by the relevant Tender Review Board. The evaluation must be in accordance with the criteria spelled out in the Request for Proposals and carried out by qualified evaluators. The Request for Proposals should be prepared in agreement with the provisions of the Public Procurement Act, 2002. The Technical Evaluation Report should be endorsed by the relevant Tender Review Board before the Financial Proposals are opened

Upon notification of contract award to the successful Consultant by the procurement Entity, and in accordance with the Public Procurement Act, 2002 the Public Procurement Board is authorized to publish a description of the contract, the name and nationality of the contract awardee, and the contract price in the Public Procurement Bulletin.

The evaluation report includes five sections:

- Section I. A Short Report Summarizing the Findings of the Technical Evaluation;
- Section II. Technical Evaluation Report—Forms;
- Section III. A Short Report Summarizing the Findings of the Financial Evaluation;
- Section IV. Financial Evaluation Report—Forms;
- Section V. Annexes:
  - Annex I. Individual Evaluations;
  - Annex II. Information Data Monitoring;
  - Annex III. Minutes of the Public Opening of the Financial Proposals;
  - Annex IV. Copy of the Request for Proposals;
  - Annex V. Miscellaneous Annexes—Ad Hoc.

The report can be used for all methods of selection described in the Public Procurement Act 2002. Though it mainly addresses Quality- and Cost-Based Selection, each section contains a note indicating the data and forms that are to be provided for the other methods of selection.

---

<sup>1</sup> This preface is not part of the report. It should not appear in the report submitted to the Tender Review Board.

For complex, specialized assignments, Procurement Entities may wish to obtain assistance from consultants to evaluate proposals.
